# Bands Calgary

FENDER BENDER is a 50's and 60's party dance band ready to hit the stage for some fun!

FENDER BENDER play at least a dozen instruments between them... no "small" feat! These include guitar, lap steel, harmonica, bass, flute, saxophone, drums and various percussion instruments. Of course, with such a broad arsenal of instruments to play, FENDER BENDER can easily support a broad repertoire of dance music from 1950 to 1969.

Whether you are having a sock hop, company party, high school reunion or a classic car show n shine enjoy old time rock 'n' roll of 50's and 60's. The music includes the best in rock n roll from Roy Orbison, the Temptations, the Beatles, CCR, the Rightous Brothers Dion, Del Shannon and many more!

The FENDER BENDER is also BIG on entertainment. Getting the audience involved is a key part of every performance. Requests are always welcome.

FENDER BENDER is a 50's and 60's band suitable for just about any occasion including company parties, conventions, weddings and Christmas parties. FENDER BENDER fits in anywhere people want to party and dance, no matter how big the event.

Make sure your next party is a success with The FENDER BENDER!
