The Deputies is a country party band with a BIG emphasis on PARTY!

This is a band that definitely knows how to put on a show. Its' four members play a dozen instruments between them supplying vocals, acoustic guitar, electric guitar, lap steel guitar, mandolin, saxophone, flute, harmonicas, bass guitar, drums and of course guitar.

The Deputies play only the best in country music... everything from the 50's to current hits of today. Plan on dancing the night away to great music from country's biggest stars like; Big and Rich, Brad Paisley, Brooks & Dunn, Clint Black, Garth Brooks and Hank Williams. The Deputies can also punch out some old rock and roll... just in case the occasion calls for it.

Of course getting the audience involved in the fun is a key part of any evening with The Deputies. Just listen to what people are saying...

"The Deputies are not only a wonderfully entertaining and versatile group, but a delight to work with" – Debbie Lynn Guerin, CP Rail.

"My boss told me that hiring The Deputies was a good career move!" - Laureen Bakker, Canada Post.

"The Deputies is a great band to work with... they always leave the guests wanting more!" – Gloria Cowley, General Manager, Rafter Six Ranch. "Always a pleasure to work with and listen to" – Andrea Fairman, Stage West.

The Deputies fit in wherever people want to dance and party to live country music.

Company parties, weddings, and conventions... the band is perfect for just about any occasion, no matter how large.

Make your evening a memorable one with.....
